# 2010 CHARITY WISH LIST

Every year the Gulf Harbour Memorial Foundation, Inc. conducts extensive research to select charities that are of interest to our members and also serve our community. We give grants for specific needs requested. In this, our eleventh year, the Gulf Harbour Memorial Foundation, Inc. has been asked to do more than ever before.

We need to raise \$217,000. to make these wishes come true.

### LEE MEMORIAL CARDIAC CARE: \$167,000.

Cardiac Care equipment necessary to diagnose and treat cardiac patients is extraordinarily expensive. The Lee Memorial Cardiac unit needs a wide variety of equipment totaling over \$1,000,000. We hope to provide them with an Echo Machine which will give Doctors the needed clear images so that the most detailed information can be provided in forming the cardiac diagnosis.

### UNITED VETERANS OF LEE CO: \$30,000.

The Disabled American Veterans Van Program: The purpose of the program is to transport veterans with scheduled medical appointments to the nearest VA facility which is located in St. Petersburg. All drivers are volunteers. When a vehicle needs to be replaced, it is up to the local veteran's community to obtain the necessary funds. This program does not receive any government support. Their need is a new seven passenger Van.

### CCMI: \$20,000.

CCMI, incorporated in 1984, is dedicated to providing nutritious meals, groceries, transportation, affordable childcare and referral services to the homeless, homebound, seniors, working poor, children and the frail in our community. The populations they serve have been identified as some of the neediest in Lee County. They need our help to purchase equipment for their Soup Kitchen/Cafe and Market Place food Pantry.
